

Dear Friends and Neighbors,

If you enjoy art galleries, music of all kinds, weaving, dance, sculptures, photography art, painting, creative crafts, cultural artifacts or just being inside the walls of a historic landmark...have we got a place for you and the best part is this special place is right in the heart of downtown Plymouth.

The Plymouth Guild for the Arts is setting the wheels in motion to make the Russell Library site, on historic North Street, into the first home of the Plymouth Arts community. Our intention is to bring together all forms of art under one roof for Plymouth and surrounding communities to share mutual support and experience their passion for the arts.

The next step in the process is to invite volunteers to help clean, polish, restore and bring new life into this very special place, helping it to become the hub of a wonderful experience on the South Shore.

We need your help on Friday and Saturday, July 27 & 28, 2007!!!
